[Approved by Governor August 5, 2009. Filed with

LEGISLATIVE COUNSEL'S DIGEST

AB 430, Hagman. Corrections: citizens' advisory committees.

Existing law requires that each state prison under the jurisdiction of the Department of Corrections and Rehabilitation have a citizens' advisory committee, except that one committee may serve every prison located in the same city or community. Existing law specifies the membership of the committee.

This bill would provide that an additional member representing the Chino Valley Independent Fire District would be added to the citizens' advisory committees that advise the California Institution for Men and the California Institution for Women.

The people of the State of California do enact as follows:

SECTION 1. Section 5056.1 is added to the Penal Code, to read:

5056.1. (a) The Legislature finds and declares that due to the local conditions resulting in the Chino Valley Independent Fire District having within its area of service two state institutions under the jurisdiction of the Department of Corrections and Rehabilitation, the California Institution for Men and the California Institution for Women, special legislation is needed to address the need for the citizens' advisory committees responsible for those institutions to have an additional member representing the Chino Valley Independent Fire District.

(b) In addition to the members designated for the citizens' advisory committees that advise the California Institution for Men and the California Institution for Women pursuant to Section 5056, there shall be an additional member representing the Chino Valley Independent Fire District, nominated by the Chino Valley Independent Fire District, for selection by the warden, pursuant to Section 5056.
